

Registered Nurse – 482 Sponsorship Available

➤ ABOUT DOUGLAS EDUCATION

Douglas Education is a team of migration agents, qualified education agent counsellor and employment specialist who has a long track record of successfully obtaining Australian residents for our clients and placing professionals from a range of specializations in roles across regional Australia. Our Registered Nurse Visa Sponsorship Program has helped nurses find amazing opportunities across regional Australia. Our partners directly sponsor and employ nurses to work across a range of leading health services including aged care and hospital settings.

➤ ABOUT THE ROLE: FULL TIME REGISTERED NURSE SPONSORSHIP JOB IN AUSTRALIA

Douglas Education partnered with a few well-known facilities in Australia and have several full-time registered nurse opportunities available across Australia, mainly within regional areas in Western Australia and Southern Australia.

We are looking for experienced registered nurses with following experience:

- Theatre (scrub/scout/recovery/anesthetics)
- Aged Care
- ICU/HDU
- Accident and Emergency
- Community Health
- General Medical
- Surgical
- Rehabilitation

➤ ON OFFER

3 year Subclass 482 - TSS work visa sponsorship (including dependents)
Full-time nursing job in the relevant clinical setting
Great work-life balance coupled with fantastic remuneration and benefits
Career development and training opportunity
A safe and supportive work environment

➤ CRITERIA

- Current AHPRA registration, in the process of obtaining AHPRA registration or hold a valid OSCE referral letter to complete AHPRA registration in Australia
- Minimum of 24 months registered nurse experience
- Demonstrate strong leadership skills and the ability to delegate and prioritize workload
- Ability to work as part of a multidisciplinary team
- Experience providing patient-centred care
- Experience or background in Aboriginal and/or Torres Strait Islander Health would be well regarded but not required

Note: These positions are not open to new or recent graduates and the successful candidates must have a minimum of 24 months experience in an acute setting (in Australia or a similar healthcare system).

➤ NEXT STEP

Please send your AHPRA registration certificate or OSCE referral letter, cv and cover letter directly to info@douglaseducation.com. Please state the subject as "EOI - Registered Nurse – 482 Sponsorship".
